Docket 2019-184-E

Dear Ms. Boyd:

The purpose of this letter is to inform the Public Service Commission of South Carolina ("Commission") that Dominion Energy South Carolina, Inc. ("DESC" or "Company") will not seek rehearing and/or reconsideration of Order No. 2019-847 issued by the Commission in the above-referenced docket on December 9, 2019. While Order No. 2019-847 contains a number of rulings that are contrary to the positions asserted by DESC in these proceedings, DESC continues to believe that the positions it advanced are correct and that the Commission should have ruled in the Company's favor; nonetheless, with respect to this specific matter, DESC will not challenge the Commission's decision.

Notwithstanding the foregoing, DESC wishes to affirm for the record that its decision to not seek rehearing or reconsideration on these matters does not constitute a waiver or abandonment of the positions decided against the Company in Order No. 2019-847 should similar issues arise in future proceedings. Accordingly, DESC specifically reserves the right to assert such positions in future proceedings to the extent they may be relevant to those proceedings.
